What makes a new place feel harder than it actually is?

You can always pass, write your answer privately, or use a made-up example.

Joshua 1:9

“Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go.”

Joshua 1:9, New International Version (NIV)

CHRISTIAN CONNECTION

Joshua steps into unfamiliar ground after Moses. Courage is not the absence of fear — it is naming the fear, trusting God’s presence and taking the next honest step.

T4 · COURAGE FOR TRANSITION · WEEK 8

Which of these are real first steps?

In groups, read all six responses to the scenario.

Sort them, then rewrite the weak ones using Name it, Find a support, First step, Check back.

1 "Don't worry, high school is fine."

2 "Noah, text me after day one and tell me one thing you found."

3 "Just be brave."

4 "You'll figure it out when you get there."

5 "Noah, find a student helper in a yellow lanyard and ask them for B block."

6 "Noah, ask Mr Patel for the bus number, then walk the route with your sister."

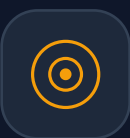

Test each one: does it name a real support and a first step Noah could take this week?
