

FLOURISH · CREATION

YEAR 6

Flourish begins

Dignity, belonging and building a class where it's safe to learn.

#flourishing

#belonging

#dignity

#participation

What helps a group become safe enough for people to learn, practise and grow?

You can always pass, write your answer privately, or use a made-up example.

Psalm 139:13–14

“For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.”

Psalm 139:13–14, New International Version (NIV)

CHRISTIAN CONNECTION

God knits each person together on purpose, so dignity is given rather than earned. That shows in how we speak to and listen to each other in this room.

WATCH FOR

- Every person is an image-bearer
- Dignity is given, not earned
- What that means for how we speak and listen here

Which norms help us flourish?

In groups, sort the six cards below: HELPS FLOURISH or NEEDS EDITING.

Then agree on the four norms this class will actually keep.

1 Everyone must share something

2 Pass is allowed

3 Whatever is said here stays here, always

4 Fictional examples are okay

5 Privacy is respected

6 Concerns go to a trusted adult

Cards 5 and 6 are the drafts that need editing — rewrite them together, then keep your final four.

“One action I can take to make this group safer for learning is ...”

Write this one privately — you don't have to share it.
