Nia has £10 saved. What should she pay for first, and why?

You can always pass, write your answer privately, or use a made-up example.

1 Timothy 6:6–8

“But godliness with contentment is great gain. For we brought nothing into the world, and we can take nothing out of it. But if we have food and clothing, we will be content with that.”

1 Timothy 6:6–8, New International Version (NIV)

CHRISTIAN CONNECTION

Paul names food and clothing as needs, and calls contentment “great gain”. Wise stewardship means paying for what we need first, then choosing about wants on purpose rather than by impulse.

Where does each item belong: need, want or in between?

Sort all six items into NEED, WANT or IN BETWEEN.

Draw an arrow from Nia's £10 to what she pays for first.

1 Bus fare home from club

2 Trip snack money, due Friday

3 A birthday gift for her cousin

4 School shoes with a hole in them

5 A phone case she really likes

6 A new game for her tablet

More than one placement can work — be ready to explain your reasoning.
